

## Donate your car to Hill-Murray School

### Hill-Murray School Vehicle Donation Program

Get a tax break while helping a good cause!

Hill-Murray has teamed up with the Cars With Heart organization to develop a vehicle donation program for the Hill-Murray Annual Fund. You can donate cars, trucks, motor homes, motorcycles, snowmobiles, personal watercrafts, and recreational vehicles. The vehicles must be model year 1991 or newer and in running condition. Boats, snowmobiles, or personal watercrafts must include trailers. Cars with Heart will pick up your vehicle; you need to provide the following:

- Keys
- Title
- Lien release (if applicable)

Your donation is tax deductible with the donation amount determined by the amount for which the car or donated item is sold. \*Note: the IRS rules for tax deductions for car donations changed as of January 1, 2005. Please contact your tax consultant for further information.

If you would like to donate your vehicle or have questions about the program, please contact Christine Jones in the Hill-Murray Development office at (651) 748-2410 or [cjones@hill-murray.org](mailto:cjones@hill-murray.org).
